STEVENS MACADAM, Ph. D., &c., the highest chemical authority of America, carefully analyzed Corn Starch, and says it is a most excellent article of diet and in chemical and fooding properties is fully equal to the best arrow root.

Directions for making puddings, custards, &c., accompany each one pound tin.

By the name of the "FARMER'S FRIEND,"

reputation, based on its intrinsic virtues, and sustained by its remarkable cures.

So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corrupting and syphilitic contamination.

Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote and disappear.

Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and Hereternal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season.

Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

A MAN OF A THOUSAND.  
A CONSUMPTIVE CURED.

When death was hourly expected from CONSUMPTION, all remedies having failed, accident led to a discovery whereby Dr. H. J. Ayer cured his only child with a preparation of his own.

VEGETINE  
—WILL CURE—  
SCROFULA,  
Scrofulous Humor.

Vegetine will eradicate from the system every taint of Scrofula and Scrofulous Humor. It has permanently cured thousands in Boston and vicinity who had been long and painfully afflicted.

The marvellous effect of Vegetine in case of Cancer and Scrofulous Humor challenges the most profound attention of the medical faculty, many of whom are prescribing Vegetine to their patients.

Canker.

Vegetine has never failed to cure the most intractable case of Canker.

Mercurial Diseases.

The Vegetine meets with wonderful success in the cure of this class of diseases.

Pain in the Bones.

In this complaint the Vegetine is the greatest remedy, as it removes from the system the producing cause.

Salt Rheum.

Tetter, Salt Rheum, Scald Head, &c., will certainly yield to the great alternative effects of Vegetine.

Erysipelas.

Vegetine has never failed to cure the most intractable case of Erysipelas.

Pimples and Humors of the Face.

Reason should teach us that a blotchy, rough or pimply skin denotes impurity upon its interior, and no outward application can ever cure the defect. VEGETINE is the great blood purifier.

Tumors, Ulcers or Old Sores.

Are caused by an impure state of the blood—Cleanse the blood immediately with Vegetine, and these complaints will disappear.

Catarrah.

For this complaint the only substantial benefit can be obtained through the blood. VEGETINE is the great blood purifier.

Constipation.

Vegetine does not act as a cathartic to debilitate the bowels, but cleanses all the organs, enabling each to perform the functions devolving upon them.

Piles.

Vegetine has restored thousands to health who have been long and painfully afflicted.

Dyspepsia.

If VEGETINE is taken regularly, according to directions, a certain and speedy cure will follow its use.

Faintness at the Stomach.

Vegetine is not a stimulating herb which induces to employ any person as a teacher who should be forbidden to draw orders for Teachers' pay, unless he is duly qualified by the State.

By order of the Board.

Vegetine is Sold by all Druggists.

Examinations of Teachers.

THE Board of School Examiners of Highland County give notice, that examinations of applicants for school teachers will take place in the Hillsboro Union School building on the first Saturday of each month, to-wit: January, February, March, April, August, September and October.

Attention of Local Directors is called to Section 26 of the School Law, in which they are authorized to employ any person as a teacher who should be forbidden to draw orders for Teachers' pay, unless he is duly qualified by the State.

By order of the Board.
